

# KULJIT BHAMRA & SHAN CHANA *Himalaya Dawn*

From the orchestras of the hit musicals **Bombay Dreams** and **The Far Pavilions**, drummers & multi-instrumentalists **Shan Chana** and **Kuljit Bhamra** team up to produce this outstanding album of tabla and percussion-based grooves.

Kuljit & Shan thrilled and captivated audiences for two years as on-stage percussionists in **Andrew Lloyd Webber's** hit West End musical **Bombay Dreams**. They continued their partnership in 2005 performing together in the orchestra of Michael E Ward's musical **The Far Pavilions**, for which Kuljit wrote the Indian music. Inspired by The Far Pavilions' unique musical score, images of snow-capped mountains and the deserts of Afghanistan, the duo have recorded their debut album **HIMALAYA DAWN**.
